### Cotutelle de these (Call for young researchers)

• Supporting PhD candidates to write their PhD thesis under the supervision of at least one professor in France and one in Germany

### When to apply:

- Applications can be submitted as soon as a cotutelle de thèse agreement has been signed by the participating universities. The date of the last signature on the agreement may not be older than a year.
- It is also possible to apply for reimbursement of expenses for the PhD viva only (max. €1,000). In this case, the application must be submitted at least six weeks before the PhD viva.

### **Financial support includes:**

- A total grant of €4,000 maximum for three years to cover expenses
- An additional €1,000 maximum reimbursement for travel and accommodation expenses incurred for the joint PhD viva
